

BOSS
SNOWPLOW

KEEP 'EM

OPEN

BOSS knows that when winter hits, order must be restored to more than just parking lots and roads. Our durable, reliable compact vehicle equipment packs the same punch as our truck equipment, but in a compact size. It is designed to RESTORE ORDER to the sidewalks and trails with speed, efficiency and strength. Because BOSS is always there to BACK YOU UP.

BOSS Products, a division of The Toro Company, reserves the right under its product improvement policy to change construction or design details and furnish equipment when so altered without reference to illustrations or specifications used herein.
*All images shown may include standard/optional equipment. Please consult your local BOSS Dealer for more information.

SNOWPLOWS

FULLY HYDRAULIC. FULLY PROVEN.

Whether it's snow removal in tight spaces or clearing walkways and sidewalks, BOSS snowplows are engineered to perform in the worst winter conditions. Designed specifically for compact vehicle applications, BOSS straight-blade and V-plow products are fully hydraulic to deliver maximum efficiency with no winches, cables or pulleys.

STANDARD FEATURES

- **High-Performance Hydraulic Package** delivers reliability and speed.
- **Enclosed Hydraulics** protect against corrosion and hydraulic freeze-up.
- **Full Moldboard Trip Design** helps to prevent plow damage when an obstacle is encountered.
- **Direct Hydraulic Cylinder Lifting System** provides quick response and improved reliability (no cables or winches).
- **High-Performance Cutting Edge** is built using a wear plate that provides extended wear resistance and comes with built-in curb guards (V-plow only).
- **Reversible Cutting Edge** offers extended wear resistance (straight-blade only).
- **Patented Snow Catcher** is designed to catch snow at the plow's pivot point, so no snow lines are left behind (V-plow only).
- **SmartTouch® 2 Controller** features an ergonomic design, large, backlit buttons and advanced technology for ease of use (excludes ATVs).
- **Handlebar Switch Box Controller** is easy to mount and accessible for ATV handlebar (ATVs only).

POWER PUNCH

BOSS compact snowplows bring full-size plowing power and performance to smaller jobs and tighter spaces.

VBX HOPPER SPREADER

POWER AND PRODUCTIVITY

The BOSS VBX3000 spreader brings the power and efficiency of the truck VBX spreader line to your compact vehicle or UTV. It's fully featured for ease of use and delivers maximum productivity. Tough and durable, the BOSS VBX 3000 will give you years of operation no matter the conditions. So when you need the power and precision of a BOSS VBX spreader on your compact equipment, the BOSS VBX 3000 is there to BACK YOU UP.

VBX 3000 STANDARD FEATURES

- **Shaftless 4" Auger With 4" of Pitch** reduces jamming.
- **Poly Hopper** is built to outlast the elements.
- **Vibrator** helps reduce material bridging for ease of operation.
- **Tarp With Integrated Tie-Downs** protects spreading material from the elements.
- **Inverted V-Baffle** reduces material build-up for optimal spreading efficiency.
- **12" Diameter Urethane Spinner** is durable and corrosion-resistant and ensures consistent distribution.
- **Spinner Motor** is sealed for durability and maximum spreading efficiency.
- **Dual Motor Control** adjusts material flow and speed on the fly.

VBX 3000

SEE IT IN ACTION
BOSSPLOW.COM

The selection of proper deicing materials can be complex and varies by personal preference, experience and environmental concerns. All factors should be considered before making your selection.

EXACT PATH® DROP SPREADERS

CLEAR A PATH

The BOSS EXACT PATH® drop spreader is available in 2.5 and 6.0 cubic foot capacities. The EXACT PATH® precisely drops deicing material to protect grass and landscaping. The stainless steel hopper and frame with a polyethylene cover keeps materials dry and free-flowing. An exclusive feed gate lever makes adjusting material flow simple—no tools needed. Multiple mounting options are available. The EXACT PATH® reduces salt waste and makes deicing sidewalks and walkways more profitable for contractors.

STANDARD FEATURES

- **8-Position Adjustable Feed Gate** allows you to adjust the material discharge amount for extra flow control.
- **Stainless Steel Hopper and Frame Construction** are made to outlast the elements.
- **Solid Poly Hopper Cover With Flexible Draw Latch** protects against weather and is made to last.
- **Stainless Steel Top Screen With Bag Splitter** easily opens bags and filters deicing material.
- **Enclosed 12-Volt Electric High-Torque Motor** is weather- and dust-resistant to ensure performance, durability and reliability.
- **Variable Speed Control** comes standard on all EXACT PATH® spreaders.

EXACT PATH® 2.5

Adjustable Feed Gate Lever

COMPACT EQUIPMENT ACCESSORIES

SKID PLATE ACCESSORY KIT

Protect your undercarriage when the plow has been removed with the BOSS ATV/mid-size UTV skid plate.

BOX WING KIT

Carry more snow with your snowplow by adding a box wing kit. These wings easily bolt to the ATV/mid-size UTV straight-blade, providing a box-plow effect.

SNOW DEFLECTOR

Increase visibility and safety with a rubber snow deflector designed specifically for BOSS compact vehicle snowplows.

BLADE EXTENSIONS

Extend the width of your ATV/mid-size UTV straight-blade plow by 12" overall (6" on each side) with the blade extension kit. This kit allows the operator to quickly change the plow's capabilities based on job type.

SMARTHITCH® 2

Designed to be simple and easy to attach and detach the plow. Flip, plug, click. The three-step attachment process makes it easy to switch between plows.

URETHANE CUTTING EDGE

Urethane edge kits are available for protecting surfaces and improving scraping performance.

SMARTLOCK® CYLINDERS

Keep your V-plow locked securely in the straight position while backdragging with these easy-to-install locking cylinders. Full-size UTV V-plow only.

PLOW CASTER WHEELS

Ideal for moving your plow around in the garage or service bay, these caster wheels utilize existing shoe holders on the blade and make moving the plow a breeze. These heavy-duty wheels feature steel ball bearings for smooth movement and long-lasting life. Available for 6'6" V-XT.

LED HEADLIGHT KIT

Designed for tough conditions, the optional full-size LED headlight kit offers a hardened clear glass lens housed in reinforced fiberglass plastic for long-lasting durability. This headlight kit includes the plow-side and vehicle-side wiring harnesses, headlight brackets and all the hardware necessary to outfit 6'0" UTV straight-blade and 6'6" UTV V-XT plows.

PLOW SHOES / PLOW SHOE KIT

Help extend the life of the plow's cutting edge and deliver extended wear resistance by adding a set of durable, ultra-rugged plow shoes.

FRONT HITCH KIT

The front hitch kit secures to the UTV undercarriage using 4-bolts, locknuts and fasteners. This kit is recommended for UTVs where the undercarriage interferes with the OEM front hitch.

TOOLS

SCOOP AND PUSHER SHOVELS

BOSS has joined forces with the leaders in high-performance, contractor-grade snow shovels! These tough, durable, high-performance shovels are built for the abuse of the season with premium blade material for unmatched scraping ability.

5-GALLON BUCKETS AND LIDS

Be ready for the worst weather with 5-gallon buckets that allow you to carry additional supplies to any job site.

WALK-BEHIND SPREADERS

Simply and efficiently spread up to 100 pounds of material with these professional-grade BOSS Walk-Behind Spreaders. Side and front adjustable baffles, weather cover and grate are all included. Both stainless steel and poly hopper options are available.

TWO-YEAR LIMITED WARRANTY

All BOSS snowplows and equipment are guaranteed to be free from defects in material and workmanship for two full years from the date of purchase. Stop by any authorized BOSS Dealer to receive complete details on our two-year parts and labor warranty. Please visit bossplow.com for more details.

LEGAL STATEMENT

Vehicles intended to be equipped with a spreader and/or snowplow must comply with the vehicle manufacturers' specifications for equipment application. BOSS Products reserves the right under its product improvement policy to change construction or design details and furnish equipment when so altered without reference to illustrations or specifications used herein. BOSS Products may be protected by one or more patents; please see bossplow.com for more details.

To comply with federal regulations and to ensure a safe vehicle, do not exceed the front gross axle weight rating (FGAWR), rear gross axle weight rating (RGAWR), gross vehicle weight rating (GVWR) or maximum vehicle payload ratings at any time. Combinations of equipment such as snowplows and spreaders, density of material being spread and the number of vehicle occupants should be taken into consideration. Ensuring these limitations are not exceeded may require weighing the vehicle and adding ballast as necessary. For receiver hitch-mounted products, do not exceed hitch rating at any time. Completed vehicle must not exceed front GAWR or GVWR.
